Approaching the market

We will seek quotes from the broader general insurance market before making a recommendation. Overall we have access to over 150 insurance providers as a Steadfast Group Network Broker, however we will target our approach to find suitable and competitive terms for you. The number of insurers approached will depend on the type of risk. In giving our advice to you we will not compare the recommended policies to other policies available, other than from those insurers we deal with regularly.

Our advice to you

When providing advice to you we will take into consideration your personal objectives, financial situation or needs before making a recommendation. In order to provide this personalised advice, we rely on you to provide accurate and complete information. If we do not have this information, any advice you receive may not be appropriate to your needs, objectives and financial situation. We will make it clear if we are providing general advice to you at the time of advice.

Remuneration

In return for the services we provide we will receive a commission usually between **0% and 30%** of the premium paid (excluding relevant taxes, charges and levies) which is paid to us by the insurer and a fee, payable by you. We can arrange premium funding on your behalf if you require it. We may receive a commission based on a percentage of the premium from the premium funder for doing so. We will tell you the basis of any such payment at the time the premium funding is arranged.

Policy Cancellation

If a cover is cancelled before the expiry of the period of insurance we reserve the right to refund to you only the net return premium they receive from the insurer and not refund any part of the brokerage and/or broker fee received for arranging the cover. A broker fee may also be charged to process the cancellation.

Payment Terms

You are required to pay outstanding premiums to us within the time set out on our invoice. If you pay by credit card we may charge you a non-refundable credit card fee. This fee will be shown on your invoice and reimburses us for bank interest, extra charges/costs and time incurred by us when providing credit card facilities.

Electronic Delivery of Documentation

We will provide all correspondence, advice and disclosure notices to you electronically. Disclosure notices will either be provided via hyperlinks in an email (which will provide a download of the document) or as a direct attachment to the email. If you do not wish to be sent documents in this way, please advise us and we will arrange for postal delivery.

Should we wish to cancel the engagement we will provide **30 days** notice in writing.
