Corporate Insurance Advisory Services

At Surefire Insurance Brokers, we specialise in tailored insurance solutions for high-risk industries like mining, construction, and transportation.

As partly owned by Steadfast Ltd, an ASX 200 company, we combine local service with global expertise. This partnership provides access to a network of specialists, valuers, and loss adjusters to address complex risk challenges. Our team offers expert advice, strong claims advocacy, and personalised service to ensure your insurance needs are fully met.

Services we offer:

Insurance Programme Audit

Provides a comprehensive review of your insurance policies and risk exposures. We assess both insured and uninsured risks, examine claims processes, and evaluate the effectiveness of your coverage. This service includes a site visit and an engagement letter to ensure thoroughness and accuracy.

Strategic Advisory

Tailored advice at the board level on cost optimisation, insurance tenders, and integrating risk management strategies with your Company/Group Risk Register.

Contractual & Operational Risk Analysis

Guidance on insurance indemnity clauses, policy drafting, and interpreting risk exposures within contracts and operations.

Project Risk Assessments

Bespoke insurance solutions for projects, including design, budgeting, and risk mitigation strategies to safeguard against potential liabilities.

Specialist Guidance

Expert advice on financial lines (Directors & Officers, Cyber, Management Liability and Professional Indemnity), along with access to a broader network of specialists via the Steadfast Group.
